Ferguson-Easley Elementary School

Media Center

Beverly McClellan, Media Coordinator

We have many new books in our media center.

For the third nine weeks students will focus

on checking out books in the five and nine

hundreds of our Dewey organized media

center. This gives them chances to learn

about math, science, history and biography.

We are also reading electronic books in the

500s. Classrooms also continued to receive

the Fayetteville Observer newspaper.
